YASSIN ABDULLAH KADI

PETER C. SALERNO declares under penalty of perjury that the following statement is true:

I prepared the foregoing errata sheet. All of the foregoing corrections are based on my viewing the video, and listening to the audio, of Mr. Kadi's deposition. Mr. Kadi has reviewed the transcript and this errata sheet and confirms that the changes indicated appear to be accurate. We did not send the video to Mr. Kadi due to the risk and delay attendant to sending our copy to him overseas (the reporting company charges almost \$1,200 for a copy of the video, so we did not order two copies).

The spelling corrections at p. 158 and 181-82 ("Adele" to "Adel" and "Behri" to "Biheiri") are based on my knowledge of documents produced in this case.

Executed on *Oct. 24, 2018*
